

# Client Usage

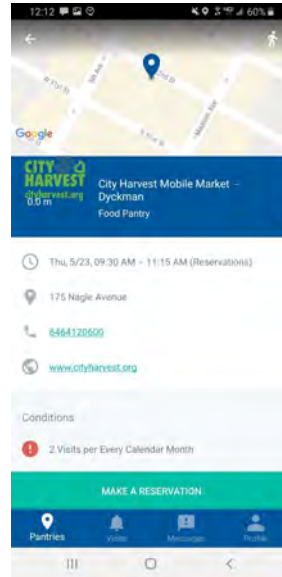

## Android App

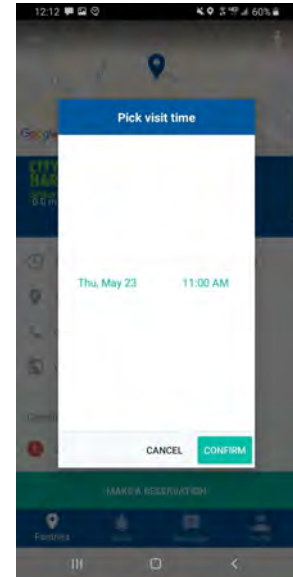

Open the Plentiful App and find your pantry using the Map or List.

Click on your pantry's name to open the pantry profile.

On the pantry profile, click on the [Make A Reservation] button at the bottom.

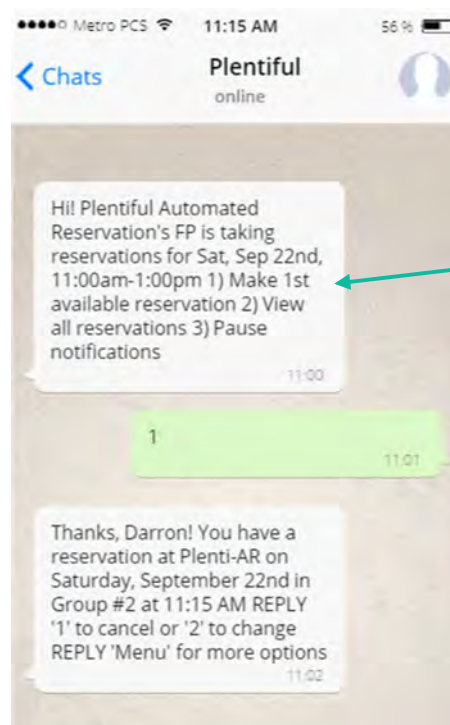

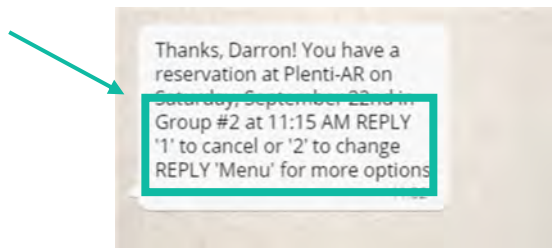

Select the date and time you'd like to visit the food pantry and click [Confirm].

## SMS

Clients book Reservations by responding with ONLY the corresponding numbers.

Once Reservation is confirmed, DO NOT RESPOND! Responding will either cancel or change the reservation (See Below).
